Dear Mr. Sweeney,

Thank you for your kind note. We enjoyed having you speak at our semi-annual Coaches meeting. Thank you for tying in the Heritage work experience to your story. This gave our Coaches the opportunity to apply your "Pressure Cooker Confidence" to their team members and work structure.

I enjoyed your speaking style. Your enthusiasm was inspirational and motivating. You grabbed our attention immediately and kept us engaged throughout the entire speech. Your humor was refreshing and a key component to your message. Thank you for the ideas you have given to The Heritage Company team members.

We will certainly keep you in our thoughts for the future. Thank you again, and best of luck to you in the upcoming year.

Sincerely,

Chip Miller
