Dear Kevin,

Thanks for taking time out of your busy schedule to be the guest speaker for the Rowlett Chamber of Commerce April Membership Luncheon. We had a great turnout - over 125 people!

We've had really good comments. Your program was very interesting and educational. You made a great impression on everyone. Your enthusiasm and passion are infectious! The story is exciting and your points are well made.

Our audience was made up of educators, business owners, bankers and doctors. Your 4 L's and 4 I's are something they all can relate too. Let us know when your book comes out—I know our members will be interested.

Thanks again for a great program.

Sincerely,

Billie Brewer
